37 CFR 1.131 DECLARATION OF RICHARD SONNENTAG

COMMISSIONER FOR PATENTS
 ALEXANDRIA, VIRGINIA 22313

SIR:

(1) I have been asked by counsel for Applicants to give this declaration on behalf of Motorola, Inc., the assignee of the above application.

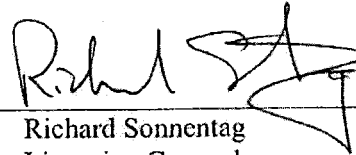

(2) Paragraph (2) of the 37 CFR 1.131 Declaration of Richard Krebs states that he is "a named co-inventor of application serial No. 08/574,528 (abandoned)..., which is a parent of the above-identified application." I hereby confirm that that is a true statement.

(3) However, Applicants have filed a 37 CFR 1.48(b) Request asking that Mr. Krebs be deleted as a named co-inventor of the above-identified application.

(4) Paragraphs (4) and (5) of Mr. Krebs's declaration explain why he was deleted as a named co-inventor of the above-identified application.

(5) Since Mr. Krebs is no longer identified as a named co-inventor of the above-identified application, Applicants (and Motorola, Inc.) are submitting his declaration as the declaration of a corroborating witness, not as the declaration of a co-inventor.

(6) I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

A handwritten signature in black ink, appearing to read "Richard Sonnentag", written over a horizontal line.

Richard Sonnentag
Licensing Counsel
Motorola, Inc.
